

MEGHALAYA AT A GLANCE 2019

**GOVERNMENT OF MEGHALAYA
DIRECTORATE OF ECONOMICS & STATISTICS**

PREFACE

With an aim to provide latest information and updated statistical data on various socio economic indicators of the State, the Directorate of Economics & Statistics is please to present the publication “ Meghalaya at a Glance 2019”. This is the 9th in the series and was compiled by incorporating only important secondary data which is based on the guiding principle of publishing the latest available data as on or up to the year of publication. However this may not be possible on certain indicators due to time constraints, but effort has been put to the utmost extend to present up to date data. The information on Population characteristics have been derived from the Population Census 2011, whilst information on other parameters have been collected from various Organizations/Departments/Offices etc.

I am thankful to the Officers and Staff of the Publication Section of this Directorate who have render their service and worked tirelessly to bring out this issue. I hope that the readers will find this publication very informative and useful.

Suggestion for improving the contents and coverage as well as presentation of data are most welcomed, appreciated and shall be promptly attended to.

Dated Shillong

The 3rd December, 2019

(A.M. Laloo)
