

Government Employees Census

The Directorate of Economics & Statistics has been conducting Census on Meghalaya State Government Employees since 1972.

The latest Report on Census of Meghalaya State Government Employees is as on 31st March 2022. It is the Fifteenth Report in the series. In this Report, the DES in its first attempt, has tried to also capture the number of employees employed in PSUs/Agencies Banks/Registered Societies etc. of the State Government and employees working under different Schemes/Projects of the State Government.
