

Government Employees of Meghalaya

The Directorate of Economics and Statistics, Government of Meghalaya has been conducting the Census of all the Government Employees of Meghalaya since 1972 onwards with an aim to assess the volume of employment in the Government sector.

The main objectives of the Census is to provide a complete count of the total number of the State Government Employees classified by Status, Class of service, namely, groups of posts under Gazetted and non-Gazetted, Pay range, Tenure of service, sex, caste/tribe, educational qualification, place of posting and other related information.

The last Census was conducted in 2010 and the report was published in May 2015. At present, the Census of Government Employees is underway with the collaboration and technical assistance of the NIC, Meghalaya which has developed a software application for the Government Employees Census which is linked with the Employees Data base for updating and bringing out the latest data. We are in the process of sending out soft copies of details of the Government employees (Departmental-wise) for updation of the same by the concerned departments and we look forward to be able to compile the data on Census of Government Employees in the upcoming months.
