

GOVERNMENT OF MEGHALAYA

HANDBOOK ON
AREA, PRODUCTION AND YIELD OF
PRINCIPAL CROPS IN MEGHALAYA, 2025
(INCLUDING LAND USE STATISTICS AND
IRRIGATION STATISTICS)

FROM 2018-19 TO 2023-24
VOLUME - V

Published by:-
DIRECTORATE OF ECONOMICS & STATISTICS
GOVERNMENT OF MEGHALAYA

PREPAGE

The Agriculture Statistics Division is one of the main divisions of the Directorate of Economics & Statistics, Shillong. This division is primarily responsible for collection, compilation, analyses and dissemination of agriculture statistics in the State. The statistics on Area, Production & Yield of all food and non-food crops grown in the State including Land Use Statistics and Irrigation Statistics are compiled and officially released by this Division every year.

The Agriculture Statistics Division is also responsible for conducting CCE (Crop Cutting Experiment) of different crops grown in the State. Presently, the DES is conducting CCE on 13 (thirteen) crops using the methodology developed by the IASRI (Indian Agricultural Statistics Research Institute), New Delhi. The CCE is an effective mechanism for collecting various status of agricultural data from the field.

The CCE is primarily conducted for estimating Productivity, Production and Acreage of different crops and the data generated from this CCE is extensively used by State Government for formulation of various agricultural policies. This data is also being widely used by researchers, economic planners, students, etc. for their various requirements.

The **Handbook on Area, Production and Productivity of Principal Crop in Meghalaya, 2025** is the Sixth in the series. It presents key statistical data on APY (Area, Production & Yield) of principal crops of the State from 2019-20 to 2023-24 and Land Use Statistics and Irrigation Statistics from 2019-20 to 2022-23.

It is expected that this Handbook will be helpful for Government and Non-Government Organizations including economic planners, researchers, etc. for working on Agriculture sector including formulation of various agricultural policies.

Suggestion for improving the quality and coverage of this Handbook is most welcome.

(A. M. Laloo)
Director
Economics & Statistics,
Meghalaya, Shillong

OFFICERS AND STAFFS ASSOCIATED WITH THE PUBLICATION

1. Shri V. E. Iawphniaw, Joint Director
