

# Price Bulletin

## 2019

सत्यमव जयते

GOVERNMENT OF MEGHALAYA  
DIRECTORATE OF ECONOMICS AND STATISTICS  
MEGHALAYA, SHILLONG

## **PREFACE**

Price Bulletin 2019, the 14<sup>th</sup> annual bulletin in the series of Price Bulletin brought out by the Directorate of Economics and Statistics, Meghalaya, presents publication containing the monthly average retail prices of both urban and rural centres which were identified for price collection. The monthly average retail prices of selected commodities in all District Headquarters and the wholesale prices in the state during the year 2019 is also included. It is an attempt to present the price trend of some of the commodities during the year and also the monthly variation. However, it may be noted that these are not the actual price data but the average of prices of various centres for a particular month or year. The year's data is the average of the twelve – month period of the year.

This publication has been compiled by the staff of the price section based on the reports provided by different District Headquarters and Block Officials, of the Directorate. Any suggestions for the improvement in the coverage and presentation of data would be greatly acknowledged.

Dated, Shillong,  
The 9<sup>th</sup> November 2020.

(A. M. LALOO)

## INTRODUCTION

Collection and compilation of price statistics on food and non- food items is one of the regular work programme of the Directorate of Economics and Statistics. Wholesale and Retail prices are collected from selected centres in all the seven districts of the state. The price data are collected from open markets by the staff of the Directorate posted in the District Offices and the Sub- Inspector of Statistics posted in the community and Rural Development Blocks. The monthly average for each centre has been computed from the weekly and monthly price returns. Price statistics indicates the changes of general price level of essential commodities in the state.

The following are the price data collected and maintained by the Directorate to be incorporated in this publication.

- 1. Wholesale Prices:** - Wholesale prices on food and non-food items in Meghalaya are collected from 7 Urban Centres namely Shillong, Jowai, Nongstoin, Nongpoh, Tura, Williamnagar, Baghmara. Food items are collected on weekly basis while non-food items are collected on monthly basis.
- 2. (i) Retail Prices (Urban):** - Retail prices for urban areas are collected also from the 7 Urban Centres namely Shillong, Jowai, Nongstoin, Nongpoh, Tura, Williamnagar, and Baghmara. The price data are collected on weekly basis for food items including non food items under heading 2 (A) Fuel and Lighting and (B) Pan, Tobacco, etc. Others non food items are collected on monthly basis.  
**(ii) Retail Prices (Rural):** - Retail prices from rural areas are collected on monthly basis for both food and non-food items from 22 selected Centres spread all over the state, namely, Ummulong, Mawphlang, Mawryngkneng, Pynursla, Mawsynram, Umsning, Mawkyrwat, Mawshynrut, Mawpyllun, Rongjeng, Songsak, Mendipathar, Rongsak, Barenggapara, Ampati, Dadenggiri, Rongram, Chokpot and Ronggara, Mairang, Sohra and Khliehriat.
- 3. Consumer Price Index Numbers:** - The Consumer price Indices for Industrial Workers, Agricultural Labourers and Rural Labourers released for each month by the Labour Bureau, Shimla are presented in this Price Bulletin. Price Indices on Industrial Workers and Agricultural Labourers are useful for fixation and revision of wages for different categories of labourers in the State. Price Indices on Industrial Workers are also utilised for fixation/revision of dearness allowance of Government employees in the State. The new series of consumer Price Indices for All-India and States/UTs separately for Rural, Urban and Combined have been compiled by the Central Statistical Office in the Ministry of Statistics and Programme Implementation for the purpose of intra temporal Price comparison with effect from January, 2011 with 2010 as the Base year. The monthly indices for Rural, Urban and Combined for Meghalaya and other North Eastern States and All-India for the year 2019 have been presented in this publication. Lastly, the Consumer Price Index for Industrial Workers on New Base 2016=100 from September, 2020 has been launched by the Hon'ble Minister of State (I/C) for Labour & Employment, Government of India, Shri. Santosh Kumar Gangwar on 22<sup>nd</sup> October, 2020. As per practice, with the advent of new series, the old series is discontinued and price collection for 2001 series is stopped.

## **LIMITATIONS OF THE DATA**

The price data as shown in the Price Bulletin are average prices of centres and months and hence do not reflect the actual price. Therefore, the usage of the information should be limited to that extent. In general, the price data of the commodities will only show the price trends over a period of time and should not be construed as the actual price of the commodities.

There are some centres which had reported prices of only 10 to 15 items out of the total 32 items of the Weekly Wholesale Prices for food and 5 to 7 items of non-food items for some period as the items were not available in those centres during a particular period.
