

PUBLICATION SECTION

Publication Section form one of the most important branch of the Directorate of Economics and Statistics, Meghalaya. Its main function is to collect data and information from various Departments of the State and Central Offices including Autonomous bodies and Semi-Government agencies. The data collected are compiled, processed and disseminated in the form of Statistical Publication pertaining to important Socio-Economic Indicators that helps to identify with the economy of the state.

The most recent publication brought out by the Section are :-

- 1."Statistical Abstract, Meghalaya 2018".
- 2."District level statistics of Meghalaya 2018"
- 3." Meghalaya at the Glance 2019"
4. ."Statistical Handbook of Meghalaya 2019".

Besides the above, other Publication viz ."Statistical Handbook of Meghalaya 2019"and "Socio Economic Review Meghalaya" have already been sent to the Government Printing Press for printing and the same is expected to come out in the public domain in due time.
