Directorate of Economics
and Statistics

PREFACE

The Statistical Hand book of Meghalaya for the year 2025 is the seventeenth in the series. The main objective of this booklet is to present updated statistical information on various socio-economic indicators of the State of Meghalaya.

The statistical data presented in this Publication were sourced/collected from various Departments of the State and Central Government and other Semi and Autonomous Bodies.

The co-operation extended by the various Government Departments of the State Government, Central Government and other agencies in providing the required information for this Publication is gratefully acknowledged. It is hope that this handbook would be useful resources for policy makers, planners, research scholars and other interested individuals who are in need of reliable data relating to various sectors of the state of Meghalaya

Suggestions for improving the contents and coverage as well as presentation of data in the Publication are most welcomed, appreciated and shall be promptly attended to.
