## PREFACE

The Statistical Abstract of Meghalaya, 2024 is the 10<sup>th</sup> edition in the series brought out by the Directorate of Economics and Statistics, Meghalaya. The Statistical Abstract provides a wide range of data on diverse sectors of the economy of the State such as demography, agriculture, education, health, livestock, forest, power, mining, industry, roads, banking, co-operation, state income, state finance, economic census, etc. Efforts have been made to maintain uniformity with the earlier editions. The data has been presented in time series form, wherever possible, so that it presents the trend and changes taking place in the various sectors over a period of time.

This Directorate is grateful to the Government Department and offices/ organizations of the State for extending their whole hearted co operation in providing necessary information for bringing out the publication in a very comprehensive form. Various publications and reports of different Ministries of the Government of India have also been referred to wherever required. The sources of data have been reflected at the bottom of each Table.

This Directorate would like to place on record and appreciation for the sincere and relentless efforts made by the officers and Staff who have contributed to the compilation and timely completion of the Publication.

It is hoped that the data made available through this Publication would serve as a useful source of information for the various departments / organizations of the Government, policy planners, administrators, research scholars, academicians, and the general public at large.

Suggestion to improve the contents and quality of the publication are most welcome.

Shillong.  
August 2024.

(A.M.Laloo)
