## PREFACE

The Statistical Handbook of Meghalaya for the year 2023 is the Fifteenth in the series. The main objective of this booklet is to present updated statistical information on various socio economic indicators of the State of Meghalaya.

The statistical data presented in this Publication were sourced /collected from various Departments of the State and Central Government and other Semi and Autonomous Bodies.

The co-operation extended by the various Government Departments of the State Government, Central Government and other agencies in providing the required information for this Publication is gratefully acknowledged. It is hoped that this Handbook would be useful to policy makers, planners, research scholars and others who are in need of statistical information relating to various sectors of the State of Meghalaya.

Suggestions for improving the contents and coverage as well as presentation of data in the Publication are most welcomed, appreciated and shall be promptly attended to.
